

**Anthony P. Fazzone**  
**CFA, ASA**  
***Valuation Damages***

Mr. Fazzone is a Managing Director specializing in valuation, litigation and financial consulting services with Spectrum Consulting Partners, LLC. He holds the Accredited Senior Appraiser (ASA) designation from the American Society of Appraisers and the Chartered Financial Analyst (CFA) designation. His expertise includes asset and equity valuation, damages analysis, financial analysis and complex claims analysis and administration. Mr. Fazzone has also testified as an expert witness in matters involving valuation and financial analysis.

Mr. Fazzone has performed and supervised appraisal and analytical assignments for businesses and professional practices for the following purposes: estate, gift and income tax, shareholder litigation, marital dissolution, succession and tax planning, employee stock ownership plans, incentive stock option plans, recapitalizations, S-corporation conversions, purchase price allocation, impairment testing, financial reporting and mergers and acquisitions. He has also valued employee stock options, professional licenses, advanced degrees, royalties and other intangible assets.

Mr. Fazzone's litigation consulting experience includes preparing valuation opinions, developing damages models and performing calculations, and other forensic and financial analyses in litigated matters including breach of contract, breach of non-compete agreements, business interruption claims, antitrust claims, contract disputes, bankruptcy, personal injury and malpractice claims, and marital dissolution.

Mr. Fazzone has also performed numerous analytical engagements involving financial analysis and forecasting, expense verification, forensic accounting, database creation and maintenance and analysis of electronic data. Mr. Fazzone has acted as claims administrator on class action settlements, with responsibility for notifying class members, designing claims management databases, supervising the audit and verification of claims, allocating settlement proceeds to class members, managing settlement bank accounts, monitoring tax reporting issues, distributing the settlement proceeds, and reporting the status of the process to counsel and to the court.
